- And More

BENEFITS

- Stretch your road maintenance budget
- Provide safer and better roads for your community.
- Specially formulated asphalt emulsion product will not cause rust or excessive wear and tear on equipment
- Environmentally friendly

WHY CHOOSE TRI-STATE ASPHALT

Our materials can be produced to meet all DOT specifications and meet all AASHTO testing requirements across the U.S. Tri-State's innovative laboratory technicians develop, test and customize any product we have to offer in order to cater to the rapidly changing needs of our industry. With a simple phone call, we have someone there to assist you every step of the way. From there, we then carefully develop your product order(s) in our state-of-the-art laboratory and deliver it directly to your plant. Tri-State is a dedicated, multifaceted company ready to help you with all of your asphalt & emulsion needs.
