- ✓ Custom mix designs
- ✓ Professional and talented laboratory technicians
- ✓ Custom formulations for asphalt & emulsion products
- ✓ Incomparable customer service
- ✓ Our own fleet to deliver right to your plant or job site
- ✓ Competitive pricing

BENEFITS OF CHIP SEAL

Faster Than An Asphalt Overlay

By applying our chip seal the traveling public benefits from roads maintained in better condition and quicker return to traffic due to fast curing times.

Better Protection

Provide good skid resistance, effective moisture barriers for the underlying pavement and prevent deterioration of the asphalt surface from the effects of aging and oxidation due to water and sun.

High Quality

Our chip seal oil has superior rock retention and out performs every time. Our products are made with strength and durability.
